

TEAM (MATCH) SHEETS

Yellow U/9 to U/18	Manager to PRINT all names; players, coach, manager to SIGN names.
White All-Age	Manager to PRINT all names; players, coach, manager to SIGN names.
White Womens	Manager to PRINT all names; players, coach, manager to SIGN names.
Green InterDistrict	Manager to PRINT names of players, coach, manager on sheet.

NOTE THAT INDIVIDUAL PLAYERS ARE NOT TO RECORD NAMES ON SHEETS; INDIVIDUAL PLAYERS, COACH AND MANAGER MUST SIGN ONLY WHEN NAMES OF ALL PLAYERS, COACH AND MANAGER HAVE BEEN PRINTED ON THE SHEET BY THE TEAM MANAGER.

Team sheets must have ALL DETAILS COMPLETED - it is the responsibility of the HOME club to make sure that all details are completed on Team Sheets, including age, division, venue, home team, visiting team; and the match scores (completed by the referee). Note that one of two boxes (Normal or Rescheduled) must be ticked at the top of the Team Sheet to show whether the match is one scheduled on the normal draw or is a rescheduled match caused by the washout of the original. Age, Division and Round (as on scheduled draw) should be shown. Scheduled date and Playing Date should be the same for a Normal match and only one needs to be completed. For a Rescheduled match, both the Scheduled Date (earlier) and the Playing Date (later) should be given.

After the completion of the match the team sheet is to be signed (print name and sign) by the team Manager or Coach of each team; as this is to certify that all players are registered players and that the match result recorded by the referee is correct, this signing should be done only after the referee has completed the match result. Under no circumstances should this signature be given before the match.

You need to use the correct colour of team sheet for each group, as shown above. The team sheets are not interchangeable as each is applicable to its own competition only.

As interchange is now applicable to all age groups/grades (except InterDistrict competitions), space is provided for listing up to 3 interchange players (5 for O/35 only).

Remember that team sheets must be completed using black or blue biro; pencil, red biro or felt-tipped pens are NOT ACCEPTABLE as these team sheets constitute the official record of each match played. Smudged, dirty or stained team sheets are NOT ACCEPTABLE.
